- Direct 12V DC charger allows for uninterrupted operation (included)
- Input (85 to 240 VAC 50/60 Hz)
- Operating temperature 0 to 45 degrees C

Vacuum Pump

The convenient alternative to lugging around a heavy vacuum pump when shop vacuum isn't available, the WichiTech Portable Vacuum Pump works with the compact HB-1 to provide a complete composite repair system. This pump is contained in a handsome nylon carry bag with power cord and vacuum hose. This pump can be ordered 110 volt, 60 Hz AC or 220 volt, 50 Hz.
