

WARRANTY STATEMENT

Every WichiTech RD3 Electronic Digital Tap Hammer is thoroughly inspected and tested before leaving the factory. It is warranted to be free of defects from workmanship and materials for the period of ONE (1) YEAR from the original date of purchase. Return the tap hammer, freight prepaid, to the factory if any trouble develops during this one-year warranty period. WichiTech will repair (or replace, at our option) without charge the system where factory inspection shows that the trouble was caused by defective workmanship or materials.

This warranty does not apply where:

- repairs to the system have been made or attempted by others
- repairs are required because of normal wear and tear
- the system has been abused, misused, or improperly maintained
- alterations have been made to the system

In no event shall WichiTech be liable for any indirect, incidental or consequential damages from the sale or use of the product. This disclaimer applies both during and after the term of the warranty.

WichiTech disclaims liability for any implied warranties, including implied warranties of "merchantability" and "fitness for a specific purpose" after the three year term of this warranty.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Some states do not allow limitation on how long an implied warranty lasts, so the above limitation may not apply to you.
